## Abstract Drawing

Inspired by **Robert Reed's** and **Eugene Martin's** abstract paintings let's try creating our own abstract painting using masking tape!

### Definitions

*Abstract* — an artwork that is comprised of shapes and colors

### Supplies

Paper  
Masking Tape  
Markers, Color Pencils, or Crayons

## Make your own abstract drawing!

### Directions

1. First, take strips of masking tape and stick them across your paper, crossing the pieces on top of each other.

Next, color in the areas in between your strips of masking tape. You can use crayon, color pencils, markers.

3. Lastly, you can peel off the tape to reveal your colored shapes. Feel free to leave the tape on or color the lines if you'd prefer!
