O-riginal Art Activity:
Symmetry in Portraiture
Inspired by Jared Soares

Jared Soares, *Quille*, 2017, Archival pigment print,
Courtesy of the artist
Located on the 3rd floor

Jared Soares photographs community and identity in America. In his **portrait** series, he explores the lives of Hip hop artists trying to make it big while living in a small town. When not making photographs, Soares can be found playing pick-up soccer games or walking his pet terrier at home in Washington, DC.

Experiment with symmetry and complete the portrait.

Supplies List:

Pencils, Ruler, Color Pencils,
Eraser, Markers

Instructions:

Step 1: Pick your favorite portrait from the templates.

Step 2: Use a pencil to draw the other side of the portrait. Think about the symmetry of the image when drawing. You can use a ruler to help guide you.

Step 3: Use color pencils or/and markers to color in your drawing. Think about the light and dark areas of your image when coloring.
