Instructions

Step 1: Show your appreciation for your teacher during Teacher Appreciation Week. In this time of social distancing, send a virtual hug, high five or emoji.

Step 2: Decide what image you want to draw. Do you want to give your teacher a virtual hug, or high five? You can also draw an emoji expressing how your teacher makes you feel.

Step 3: Use a pencil to draw the image in the middle of your paper.

Step 4: If you could tell your teacher how much they mean to you what would you say? Use a pencil to write a message to your teacher along the border of your drawing.

Step 5: Use a black marker to trace the words and image.

Step 6: Use markers of any color to color your image.

Step 7: Ask your parent or guardian with help to take a picture of your drawing. Email your artwork to your teacher.
