Supplies

Found Objects

Instructions

Step 1: Often in **abstract** art colors can represent different feelings or emotions. What is your favorite color? How does your favorite color make you feel? Pick one color you want to use for your artwork.

Step 2: Explore your house. Find objects that are your chosen color. Be sure to get permission from your parent or guardian to use your found objects in your artwork.

Step 3: Once you have collected your objects, find a place to setup your piece. Separate your objects into dark and light. Now arrange them from darkest to lightest. When arranging, think about the shape of each object, can they fit together like puzzle pieces?

Vocabulary

Found object — a thing that someone else has given or thrown away that is often repurposed by artists

Abstract — an artwork that is comprised of shapes and colors

Value – how light or dark something is on a scale of white to black
