QUESTIONS? EMAIL
EDUCATION@OGDENMUSEUM.ORG.

Instructions

Step 1: What is your favorite color? Search your home for **found objects** of that color. Be sure to ask a parent or guardian's permission to use the objects you find.

Step 2: Notice the size, shape and texture of the objects. How do these characteristics relate to each other? How are they different?

Step 3: Think about the **composition** of your artwork. Will you arrange items that are similar in size, shape and texture together? Take some time to arrange your objects.

Step 4: When you are happy with your arrangement, take photos of your **assemblage** to share with friends and family.

Step 5 (Optional): Search your home for objects of a different color and recreate the assemblage.

Vocabulary

Monochromatic – containing or using only one color

Composition - is the arrangement or placement of visual elements in a piece of artwork

Abstract - an artwork that is comprised of shapes and colors

Assemblage - a work of art made by grouping found or unrelated objects together

Found Object - a thing that someone else has given or thrown away that is often repurposed by artists
