Instructions

Step 1: Look at Isabella Scott's artwork, *Utopia 1*. What colors and **patterns** do you notice? Does it remind you of something you see in real life?

Step 2: What is your favorite plant? Does this plant's flowers or leaves have a specific shape?

Step 3: Use a pen to draw your favorite plant. Continue to draw different types of plants or patterns. What happens if you just draw or **doodle** without thinking? Keep drawing until you fill up the page.

Step 4: Does your favorite plant have specific colors? Use color pencils to color in your drawing.

Vocabulary

Doodle – a rough drawing made without thinking

Pattern – a repetition of specific visual elements in art

Repetition - the use of two or more similar elements within a composition. The arrangement of a repeated shape or form creates a pattern
