Instructions

Step 1: What are your favorite things about winter?

Step 2: Explore your house for objects that remind you of the winter season. Be sure to ask a parent or guardian permission to use the objects that you collected in your artwork.

Step 3: Find a place to set up your **assemblage**. You can use any flat surface, maybe on top of a table or on the floor.

Step 4: Think about the **composition** of your artwork. Will you arrange items that are similar in size, shape and texture together? Will you layer them by placing one object on top of another? Take some time to arrange your objects.

Step 5: When you are happy with your arrangement, take photos of your assemblage to share with friends and family.
