### Supplies

Notepad, pen, bowl, scissors.

### Instructions

**Step 1:** Play *Guess Who?* with a group of friends or a parent or guardian.

**Step 2:** Brainstorm different phrases or words that you would like to act out in the game. Write these down. You can create your own categories based on TV shows, songs, sports, animals or anything you can think of.

**Step 3:** Use scissors to cut out the prompts from Step 2. Put the prompts in the bowl.

**Step 4:** Designate a parent or guardian to keep time. Decide how long each team has to guess, maybe 2-3 minutes.

**Step 5:** Divide players into teams. Choose a player to start the game.

**Step 6:** Player one picks a prompt from the bowl or thinks of their own word or phrase that the other players should be familiar with.

**Step 7:** Player one acts out the prompt in front of the other players. The first person to guess the word or phrase gets a point.

**Step 8:** Repeat Steps 6 and 7 with player two from the opposing team. Continue until all players have acted out a prompt.

**Step 9:** At the end of the game, the team that has the most points wins.
